American Indian Studies Center, UCLA

Thank you so much for reaching out to us.

We would love to expand our Cultural section in the Library. The only requirement that the Department of Corrections has are 'no hard-back books and no true-crime' in the library.

We would love Historical, myths, legends, documentary, biographical, spiritual, art, languages – anything is appreciative in the form of books, magazines, newspapers, etc.

Our American Indian population is primarily Alaska Natives. Iñupiat, Yupik, Aleut, Eyak, Tlingit, Haida, Tsimshian, and a number of Northern Athabaskan cultures, including Sioux, Cheyenne, Shoshone.

Please address Attn: Education

Thank you again for this great opportunity to expand our cultural section.

Sincerely,

Alaska Department of Corrections
