MERCEDES  
DORAME

Join us for an afternoon discussion with two Tongva artists:

MERCEDES DORAME is a Tongva artist who uses her cultural history to engage problematics of (in)visibility and ideas of cultural construction. RIVER TIKWI GARZA is also a Los Angeles Tongva artist and a member of the Ti'at Society. Garza's work draws on traditional Indigenous aesthetics, Southern California Indigenous maritime culture, graffiti, Xicanx culture, and the Los Angeles urban experience.
