The American Indian Studies Center invites new and continuing UCLA American Indian and Indigenous students to our virtual welcome event to kick off the academic year. The program will be informative and fun! It will include an overview of campus organizations that support Native students, as well as Zoom breakout sessions where you can go to learn more about the organizations that intrigue you. There are so many ways to get involved at UCLA, you don't want to miss the opportunity to find out more. And to top it off: We will offer prizes to students who can answer trivia questions about the campus accurately.

Don't miss it!
