

## NAISA 2018 Student Volunteers Request

NAISA is a non-profit run organization providing an avenue for engagement of global Native American and Indigenous Studies. As such, volunteers are crucial to its running smoothly. We particularly would like to provide students with an opportunity to engage with those who come through for registration, meet other graduate students, and have an opportunity to have their conference fee covered. Tasks include, handing out registration material, helping people find rooms, and directing people to appropriate sources to answer their information. You will be the welcome faces of NAISA 2018. All volunteers of 8 hours or more will be provided free registration and receive a Volunteer T-shirt.

If you have any questions, please contact Graduate Student Coordinator: Michael Cox, [mcox@sdccd.edu](mailto:mcox@sdccd.edu).
